

The e-IEP PRO Parent Portal allows instant access to your student's most recent, finalized Evaluation/MET, IEP, Progress Reports, Meeting Notices, Prior Written Notices, and a student's Section 504 Accommodation Plan.

To access the Parent Portal, you will need the following required information to login:

- The **parent/guardian email address** that matches the email address on your student's profile.
- The **access key** provided through email once entered on the login screen of the Parent Portal. The access key will remain the same for the school year.

STEP 1. Access the parent portal here [e-IEP PRO Parent Portal](#) and enter the email address that matches the email address provided to the school.

An access code will be sent to the email address.

STEP 2. Enter this access code on the login page as Step 2 for immediate access to view and print your student's most recent:

- Meeting Notice
- Prior Written Notice
- Evaluation/MET
- IEP (including Progress Reports)
- 504 Accommodation Plan

All student records must be finalized by the school before accessing the records. There will be no draft versions available in the portal.

Contact your student's special education instructor if you have any questions or difficulty accessing your student's records.
