VIII. Discussion and possible action to approve changing the Primavera Mission Statement from:

Primavera provides a rigorous, relevant, and personalized education in a highly interactive virtual environment. As a school that serves both alternative and traditional student populations, we are committed to educating students through an engaging, individualized learning experience.

to:

Primavera Online School exists to serve students who are at risk of not graduating on time, including those who are credit deficient, have a history of high mobility, or are unable to thrive in a traditional school setting. Through flexible online

scheduling, credit recovery pathways, accelerated learning options, and individualized academic support, we remove barriers and help students earn a high school diploma prepared for college, career, and life.
